Wine-List

2017

Dear Guests,

Indian dining tradition holds that spicy cuisine is best paired with wines of certain styles.

We offer a comprehensive selection of premium wines ideally suited for spicy cuisine. Subtly spiced foods require a careful selection of wines that do not overpower the flavours. Full flavoured but low-tannic wines dominate our list. From aromatic whites to robust reds, there is something here for everyone. Do not hesitate to ask for a suggestion. Your Dining Pleasure is our Passion!

Cheers!!!
